Title of Assignment	Q4 Interdisciplinary
Class/Teacher	Interdisciplinary/Jeral and Rada
Learning Objective	Be a part of one group performance and two individual performances that are from 1975-1985.
Assignment Summary	I performed in a salsa dancing group performance. One of the individual performances I participated in was the performance in which I performed a poem called <i>The Revolution Will Not be Televised</i> . Another one of my performances was when I played Chewbacca in a scene from Star Wars: The Empire Strikes Back.
Competency	Social Awareness - This project helped me develop my social awareness skills because it caused me to view the 1970s-1980s as a totally different time period. A time period in which many people were still rebelling against cultural norms, and a time period in which people indeed wanted a revolution.
Skills Used	Public Speaking, Research
Details to Remember	I did not know about the poem <i>The Revolution Will Not be Televised</i> prior to participating in this interdisciplinary.
