

******RULES WILL LIKELY CHANGE OVER TIME******

Since I get a lot of people interested in doing art trades, requests and commissions I thought it would be a good idea to write down some rules. Let me know if you need further clarification.

***** If you just want to see what I will not draw check List 3 down below. I try to include reasoning and exceptions for most.*****

General Rules:

- Since I make the art, I can decide what happens to it, such as if I will post it on DeviantArt, Furaffinity, Pixiv, Twitter, etc. If I want to delete something from my gallery or move it to scraps, it's up to me to decide.
- Please if you are going to repost my art, give credit. Provide a link to my page(s) or at least put my username (UnrealCereal) somewhere visible. Otherwise do not repost.
- You don't have to ask permission to repost art that I make for you as part of an art trade, commission, gift art or request. You can do what you please with the art I make for you. Give credit when possible, tho :)
- I may not always provide progress pics for art trades and requests, but I will try my best to provide frequent updates, especially for paid work.
- **** In the end, I decide what I want to draw or not. If something's not ok with me for any reason (even if it's not listed here) I will politely refuse. I try to minimize fetish content in my work.*
- **You are allowed to make art of my OCs.** I would appreciate it if you credit me or inform me prior to publication. Please understand there are things I don't want to see them in (See List 3 down below).

On Payments:

- Payments are usually received up front. If the cost of a work exceeds \$60 then only half the amount is due upfront and the remaining amount would be paid once work has been completed.
- Payments must be sent within 48-72 hours of claiming a slot.
- We can make an arrangement if upfront payment is not possible at the time, just ask!

- No refunds except for unforeseen circumstances that would not allow me to finish work within 60 days. If I fail to produce a finished product after 60 days a refund may be processed.

****LGBT+ chars are always welcome, read the next lists to get an idea of what I allow.*

List 2: Things I'm SOMEWHAT ok with:

- **Anal:** Not too good at drawing buttsex but I'll do my best.
- **Animal Penis:** So I actually prefer drawing unrealistic male genitalia, human dicks look boring and a bit gross if overly detailed. That said, I don't want complex dicks. Horse cocks will be toned down as they are uncomfortable to look at. Knots are ok.
- **Biting and Scratching:** As long as there's little to no blood or it's done in a playful manner.
- **Bondage:** Just nothing too crazy plz. Try to keep it light!
- **Breeding:** Generally fine with OCs. If it's a licensed character (i.e. Audie, Krystal, Tigress, etc.) there will be no impreg allowed (everyday is a safe day~).
- **Cheating:** Must be very toned down or only lightly implied. Otherwise I won't be comfortable with it, particularly dealing with fanart.
- **Cumflation:** It's weird to me, but I can draw it, just tone it down some.
- **Cuckolding:** Mostly fine, especially if every character takes enjoyment out of it, may tone down quite a bit...
- **Digimon/Pokemon x Trainer:** Only time I fully allow human x anthro. Still not the best at drawing humans tho, so I will limit how the trainer is represented in the art.
- **Drug and alcohol use:** Recreational drugs like marijuana, cigarettes, cigars, vaping are fine. Alcohol use is fine too. Heavy drugs such as heroin and cocaine are not ok!
- **Electrostimulation / Shocks:** Fine for kinky scenes. Just not overdoing it.
- **Forced Sex:** Usually ok with it, especially if we keep it kinky and sexy and not rapey.
- **Foot Job:** I'm not good at drawing feet! But if ya really want...I'll try?? I don't do foot fetishes tho...
- **Gigantism:** As long as it's not for fetish reasons!
- **Humans and humanoids:** I'm not that good at drawing human faces! Certain aliens are fine if they look less human. I can try my best if you really want me to draw humans...
- **Humiliation:** Generally fine, nothing too crazy plz!
- **Impregnation:** Again, just not with licensed characters (i.e. Audie, Cynder, Loona, etc.). Also I don't do male impreg.
- **Internal / X-Ray shots:** I can't draw internal shots very well, so it will be simplified.
- **Licensed Characters (Fanart):** While I can draw fanart of almost anything (Spyro, Digimon, Pokemon, etc.) I DON'T want to depict characters from children's media aimed

at very young demographics, particularly current or ongoing shows (Paw Patrol, Peppa Pig, etc.).

- **M/M:** If they're cuddling and keeping things lite it's OK. If it's sexual I'll only do it if bits are obscured/not visible. Otherwise read List 3...
- **Transformation:** Never cared for it, but I may draw as long as it's not a sequence. Only the completed transformation.

List 3: Things I'm NOT OK with:

- There are many kinks, fetishes and scenarios that I may not be comfortable with. These are just the ones that I often see and don't want to be a part of. If I haven't drawn it, there may be a reason! Please ask~

- Anything that discriminates or demeans other cultures, places, religions, races, etc. for any reason will NOT be depicted!

- **Abuse:** Bodily and psychological harm are a no!
- **Animal Genitalia:** Not ok, would have to tone it down. I particularly dislike female animal genitalia.
- **Bestiality:** No humans x feral (this includes fantasy creatures)!
- **Bodily waste:** This includes puking, scat, soiled diapers, watersports and related stuff.
- **Stealing others' work:** Don't ask me to draw someone's OC unless I get consent from that character's owner. Don't ask me to trace other's work.
- **Choking:** May be somewhat ok for some kinky scenes, but I'll definitely tone it down a lot. Otherwise I'm generally not ok with this.
- **Diaper Stuff:** just no.
- **Death:** I can draw tombstones, ghosts, zombies (toned down), undead, etc. and imply death in some way, but I'm uncomfortable explicitly depicting a dead person/animal/creature.
- **Drowning / Suffocating:** I'm extremely uncomfortable with this stuff.
- **Drones:** Sorry, I don't understand the interest in turning someone into a mindless sex doll.
- **Extreme body:** Super muscular/skinny/obese, overly gigantic breasts, enormous or super long dicks, inflated belly, etc.
- **Feral Lewds:** No sexualized ferals. No feral x feral! I don't draw this kinda stuff, sorry.
- **Foot Fetish:** Don't like, won't draw, sorry!

- **Gore:** Some blood is fine. A little fighting too. But guts spilling out, decapitations, dismemberment, etc. is not for me.
- **Humans x Anthro Sex:** Normally I would rather not depict this scenario. Honestly I'm not very good at drawing humans, especially in sex. ***I particularly don't want self-insert stuff!*** If you REALLY want me to draw a sex scene I just won't draw the face of the human or it would be from a POV perspective. Exceptions would be Pokemon or Digimon x Trainer, where I usually won't have a problem with it :)
- **Incest:** I used to be ok with it, but depicting this never feels right.
- **Loli:** If they look like children or underage but are "actually legal"... I don't care, I'm not drawing this.
- **M/M sex:** Only allow if things are obscured. I'm still getting better at drawing dudes and gay sex is something I can't properly depict yet, particularly anal sex. Maybe in the future once I'm more comfortable with it.
- **Masochism or Mutilation:** Don't like inflicting extreme pain. Some spanking or whipping or slapping may be fine, anything beyond that (punching, bruising, etc.) is a no.
- **Multiboob:** Eh, don't feel comfortable with it.
- **Multi-genitalia:** Multi-vag and multi-penis. Not comfortable with.
- **Nipple Fuck:** Sorry no.
- **Necrophilia:** HELL NO!
- **Pedophilia:** NEVER OK! Characters depicted in sexual or erotic situations must be 18 years of age or older!
- **Political Imagery:** Just to stay clear of any messiness, for commissions or requests I won't depict any type of explicitly political imagery.
- **Pregnancy:** Not comfortable drawing pregnant characters, sorry.
- **Rape:** Forced sex is different, and I may be ok with it depending on the scenario.
- **Real People:** I'm an anthro artist first and foremost. I don't want to draw Markiplier or Beyoncé or any real person, deceased or otherwise.
- **Slavery:** Characters may say "master" or something, but that's about as far as I'll go with that.
- **Torture:** Again, I don't like seeing others hurt.
- **Vore:** It's a popular fetish, but it makes me uncomfortable, especially the hardcore stuff.
