

Two Strangers (carry a cake) - ★★★★★

I saw this shows first preview on april 4th and i enjoyed it so much, coming back a second time was just as, if not more, entertaining, a 2 person show, Sam and Dujonna have such powerful voices and they pair so well, some highlights were definitely 'New york' of course, as well as about to go in and be happy. The comedy is so perfectly written everybody was laughing. But it also had its deeper and more blue moments bring the audience to borderline tears. It's such an emotional rollercoaster as Dougal and Robin get to know each other over the 36 hours.

"I had to babysit a 25 year old" describes the relationship perfectly

I even got the chance to meet Dujonna and Sam at the stage door with both autographs.

It is a must see before it closes.
