We can buy goods and food at different shops, supermarkets, department stores and markets.

Department stores are popular all over the world. Large shops with a lot of departments are department stores. In a department store you can buy everything you want. In the shop windows you can see the things which they sell there.

In the department store there are such departments as:

|---|---|---|
| Footwear | Stationery | Textile |
| Ready-made clothes | Perfumery | Household goods |
| Hat | Haberdashery | Toys |
| Sports goods | China and Glass | Electric Appliances |
| Cosmetics | Linen | Curtains |
| Cameras records | Knitwear department | and some others |

At the footwear department you can buy shoes, boots, sandals.

If you want to buy a pair of trousers, jeans, a coat, a raincoat, a dress, a suit, a blouse, a shirt, a skirt you must go to the ready-made clothes department.

At the perfumery department the customers can buy shampoo, lipstick, soap, lash-colour, washing powder.

At the knitwear department one can buy sweaters, cardigans, short-sleeved and long-sleeved pullovers, woolen jackets.

At the stationery department people buy exercise-books, pens, pencils, pads, rulers.

Children like to go to the toy department to look at or to buy different toys.

Recently there have appeared a lot of boutiques, which are very popular with people who are interested in the latest fashion and who want their clothes to be modern, unique and unordinary.
