Bamboo Bike Building Workshop led by Klaus Volkmann in Maui - February 17 - 25, 2018

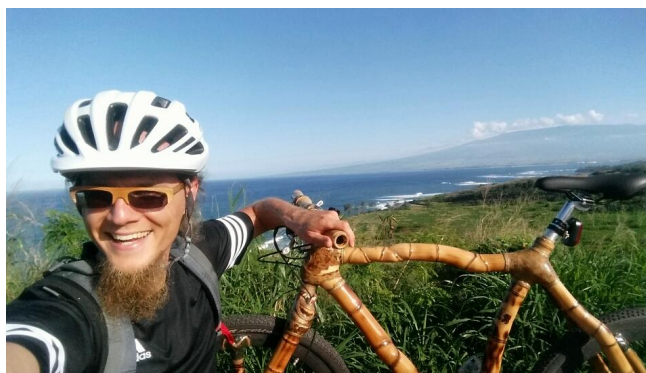

Whispering Winds Bamboo Cooperative is pleased to announce a bamboo bike building workshop to be held from February 17 - 25, 2018 in Kipahulu, Maui, Hawaii.

The Hawaii Chapter of the American Bamboo Society and Whispering Winds Bamboo Cooperative invite you to join a unique journey. We are giving a workshop with limited subscriptions, 6 people will learn and make their own bamboo bike and the other 6 will learn and get a bamboo bike jig. Don't miss this opportunity, subscribe here:  www.artbikebamboo.com.br or contact: (808) 3443143

Brazilian expert bamboo bike builder [Klaus Volkmann](#) is in Maui to lead a 9 day workshop.

This hands-on workshop will teach you how to build a bamboo bike frame from scratch. You will also learn how to make bamboo forks, handlebars and spokes. You can learn more about Klaus at www.artbikebamboo.com.br/, see photos from his previous workshops here: <https://receitasparasalvaromundo.com/index.php/2017/04/10/arte-sobre-rodas/>

Contact us for more details, we can help you to find the best place to stay during the workshop.

Everyone will be able to build bamboo bikes for their own after the workshop and it will be a pleasure to give after-course support, by e-mail, during the construction of your first bamboo bikes.

The event is being hosted by Whispering Winds Bamboo Cooperative,
www.whisperingwindsbamboo.com whose mission is to spread the culture of bamboo.

Space is limited to 12 participants. Register today to reserve your spot. You can participate by subscribing to [subscription A](#) , [subscription B](#) or contact Rich and Ryan to more options. One of the options is to participate only in the first 4 days of that is better for you.
