

Pioneer Community Council Minutes
September 9th, 2024

Meeting began at 4:00 p.m. In attendance: Brittany Sylvester, Corine Keyonne, Claire Bruce, Grant Bushman, and Crystallann Gutierrez

Grant moved to open the meeting, Corine seconded the motion

First item was to adopt the council's Rules and Order of Procedures for the year. After going through these and coming to an agreement, Grant motioned to approve and Corine seconded that the outlined Rules and Order of Procedures be put into place. We moved on to elect our Chair and Vice-Chair for this term. Grant will act as Chair and Crystallann will act as Vice-Chair. This was followed by the collection of council information for rostering purposes. Details can be found on the school website. Our last detail was to schedule out our meetings for the school year, which will be the 2nd Monday of each month at 4:00 PM

Next major order of business was going over our council training videos and handing out our Community Council handbook.

After that, we went over the principal's report. This detailed our percent proficient in math and reading in comparison to schools with similar demographics and geographical locations. We also went over MGP and our school's CIP for the upcoming school year. We are highly focused on helping our students with disabilities achieve growth. We discussed our school vision and mission statement and discussed how we can continue to align our CIP goals with these values.

Our final point was to get a PTA update. We are up to 32 members and counting. We are hoping to have another push at SEPs and get more teacher involvement as well.

Claire moved to close the meeting and Corine seconded the motion. Meeting was adjourned.
