

# HSD DISTANCE LEARNING

## HSD Supplemental Lessons Elementary Middle High

# J.W. Poynter

Welcome Poynter Families!

The District will begin providing supplementary learning opportunities for students on **Wednesday, April 1**. The supplementary materials and activities will provide an opportunity for students to review the content and practice the skills they have already been taught. Additionally, our goal with distance learning is to prevent learning loss and more importantly, to re-establish the connections with students, which is the foundation of our work. Google Classrooms for all Poynter Middle School Teachers will be live on **Monday, April 6**.

Teachers will also provide office hours where they can support students and families and answer questions. Each individual teacher will communicate about their availability.

Our school will be using [Google Classroom](#) as our platform for distance learning. Please access by clicking the link above.

We will send updates to the Poynter Community as they come up. If you have questions please feel free to contact me at [pedej@hsd.k12.or.us](mailto:pedej@hsd.k12.or.us).

Together: families, students, staff We Are Poynter STRONG!!!

Sincerely,

Dr. Pedé

Principal, Hillsboro School District
