Total Quarter Credits Needed at PCC:

90-96

Students who follow this pathway and are subsequently admitted to Willamette University will receive the maximum number of transferable credits (64). Following this pathway will give students the greatest chance to succeed in this major and to graduate within two years of enrolling at Willamette University.

Students who do not take either PS 203 or PS 202 in addition to PS 201 will need to take an additional PPLE course at Willamette, in place of an open elective.

*Language Courses That Fulfill Willamette's Language Requirement and PCC's Arts and Letters Requirement:

201 Level: ASL 201, French 201, German 201, Russian 201, Spanish 201, and Spanish 217 (for heritage speakers)

Notes:

Two 3 or 4-credit classes at PCC equal one 4-credit class at Willamette, for the purposes of satisfying specific major or general education requirements. Thus PS201 + PS202 or PS203 = Willamette's PPLE 210.

Students who are native/home speakers of a language other than English may be exempted from the first year of Willamette's language requirement; this will require the substitution of other Arts & Letters courses to satisfy the AAOT requirement.

Students who do not wish to continue language study into the second year may substitute two "World Engagement" classes taken at Willamette for the 201, 202, 203 language sequence. Please note that **"double-dipping"** is not allowed: the same class may not be used to satisfy both the World Engagement requirement and either the Social Sciences or the Arts & Letters requirement:
