

TLHS Course Selection for Incoming 9th | 2025-26

TL School Counselors will visit middle schools (Davidson, Venetia Valley, Miller Creek) in February to share information about course selection. All course selection materials can be found on the TL Counseling website, under [Course Selection](#) (scan the QR code on reverse). Counselors will host a **virtual parent night** on **February 6th at 6pm** to review the registration and course selection process. Zoom link on the TL homepage: terralinda.srccs.org

How to select classes for next year:

1. Register your student at Terra Linda High School via [SRCS Enrollment](#).
2. Complete and submit a [course selection Google form](#)* by **February 10th**.
3. Complete and submit an [athletics interest Google form](#)* by **February 10th**.

**all forms are available online: scan the QR code on reverse*

Core classes:

9th grade students will be enrolled in the following core courses:

1. English 9 P
2. Math (Algebra A, Algebra 1, or Geometry: based on current course and grade)
3. Living Earth / Biology P
4. Ethnic Studies & Health (semester courses)
5. PE 1

Mathematics:

Students who are currently taking and passing (C or higher) Algebra 1 P will take Geometry P next year. Students who are currently taking Math 8 will take a placement test in the spring at their middle school, which will guide placement in either Algebra 1 P or Algebra A (a slower-paced version of Algebra). **If your student attends a middle school other than Davidson, Miller Creek, or Venetia Valley, contact TL Counseling to set up a time to take the placement test: 415-492-3112.**

Electives:

In addition to the five core courses, students can take 1 or 2 elective courses (see below). Students who take 6 courses have one elective, and students who take 7 courses have two electives. TLHS guarantees at least six courses, and will make every effort to accommodate a seventh course request if space is available. Please note that students can meet/exceed graduation and UC/CSU A-G requirements by taking six courses per year. See our [Course Catalog](#) for a complete list of course descriptions.
