

Google Classroom

Join a Class

A student must join a class to view and participate.

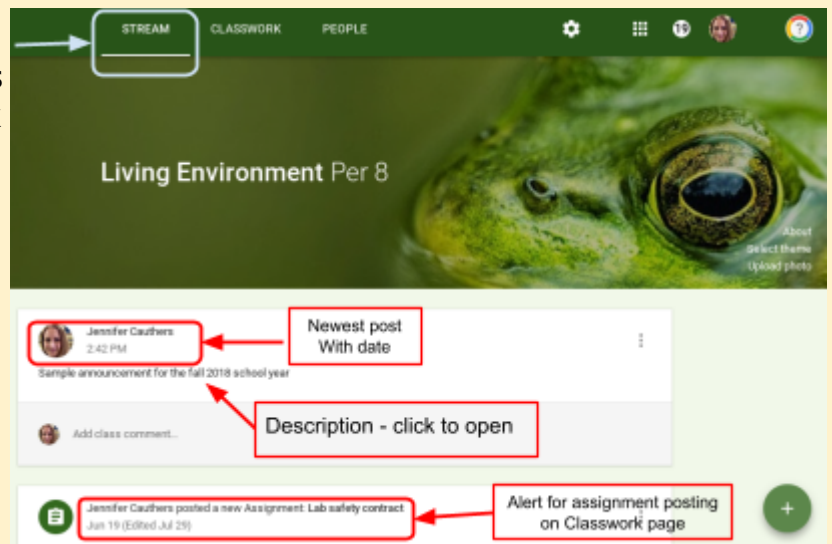

- ❑ Press the "plus" sign in the top right corner to add a new class
- ❑ Enter the **Class Code** given to you by the teacher and click **Join**
- ❑ Or use the **link provided by the teacher**
- ❑ The class will now appear in your listing of classes you are **enrolled** in the left menu of Classroom
 - ❑ To view a list of classes click the three lines in the upper left corner
 - ❑ Click any in the list to enter the class

Navigate Classroom

Stream - all announcements and alerts of new assignments posted on Classroom page with newest first

- ❑ Open one of your classes by clicking on the tile on your start page
- ❑ You are taken to your **Stream** by default.
- ❑ Please note that some teachers might not make announcements in the stream but may only post on the Classwork page.

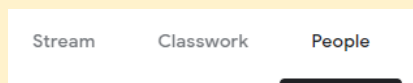

Classwork - lists all assignments for the class, including questions. (see below)

People - contact classmates or your teacher via email

As a student, you can view a list of the teachers and students, as well as message them privately if enabled. You can also email your teacher from this page.

- ❑ Click on the tab at the top of the stream labeled **People**.

- ❑ To email a teacher, click the mail icon to the right of their name.
- ❑ To email a classmate, click the mail icon to the right of their name.
