The PowerSchool Parent Portal

New to Parent Portal?

The PowerSchool Parent Portal connects parents to their child's education. In addition to managing student contact and medical information, parents have real-time access to attendance, grades and assignments, notification preferences, and more. Parents of returning students also use the portal to annually update their child's information. These instructions will help you get started!

You'll learn to: **1. Find the Parent Portal, 2. Create a new account, 3. Update your contact information to ensure the office has the most up to date information on your child.**

1.To sign in or create account : https://reedsville.powerschool.com/public/

PowerSchool Mobile App

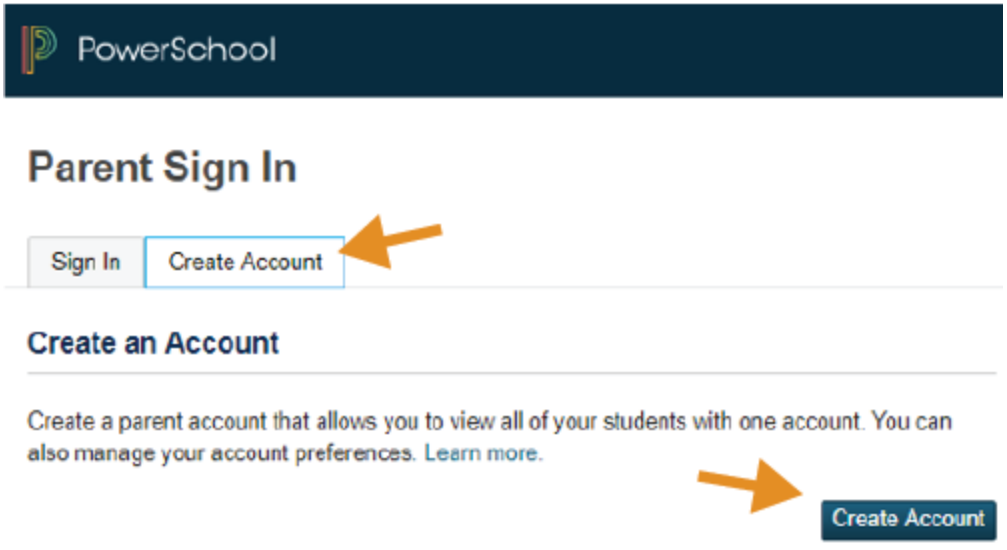

The PowerSchool Mobile App is available on Android and Apple marketplaces.

2.Create an Account

Parent Portal provides parents with the ability to have their own individual parent or guardian account, including user name and password. You must obtain the Parent/Guardian's Access ID and Password letter before you attempt to create a parent portal account. A parent or guardian must request the **Parent/Guardian's Access ID and Password** letter in person or email Tara Taddy at ttaddy@reedsville.k12.wi.us. You must create your parent portal account using the appropriate access credentials.

Forgot your password? Good news! You can **recover your password** using the portal. If you have requested a password change, you must sign in using a desktop browser connected to the internet (not via the mobile app).

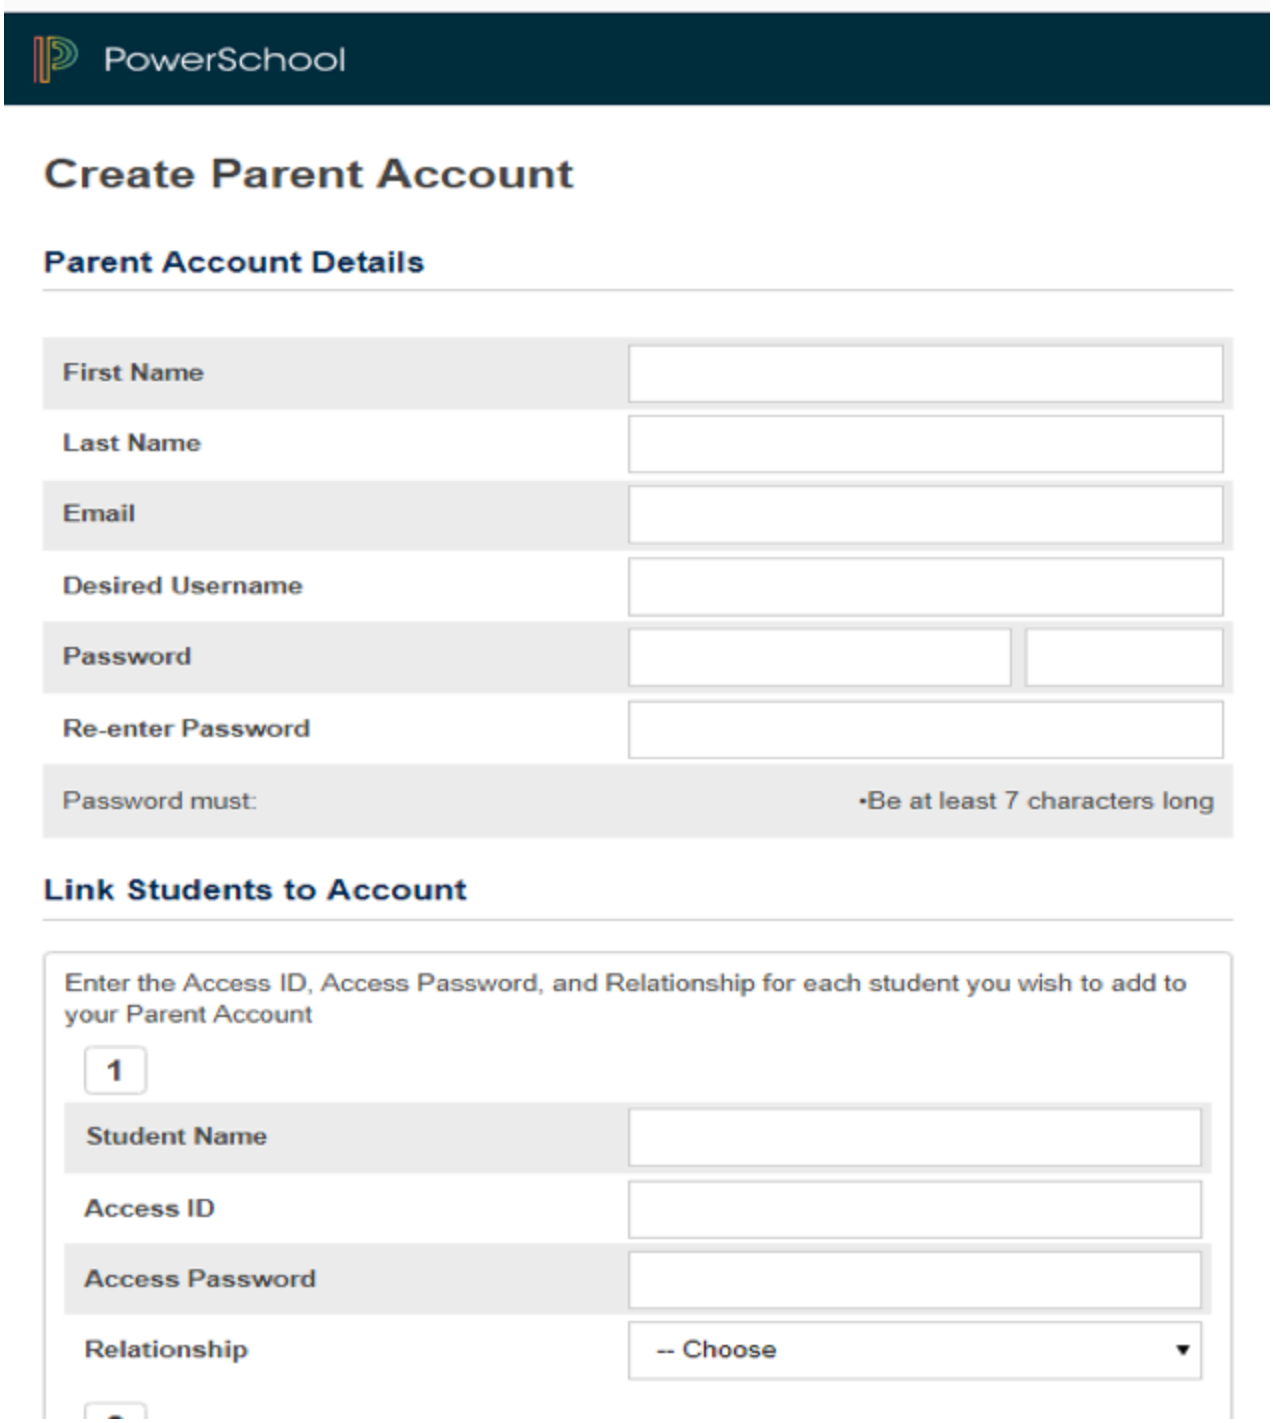

Click the **Create Account** tab, and then the **Create Account** Button.

Enter your parent details:
First/Last Name, Email, Username, and Password, etc.

Link students to your account: (If you have not been given this information, please contact Tara Taddy at 920-754-4341 ext.106 or ttaddy@reedsville.k12.wi.us

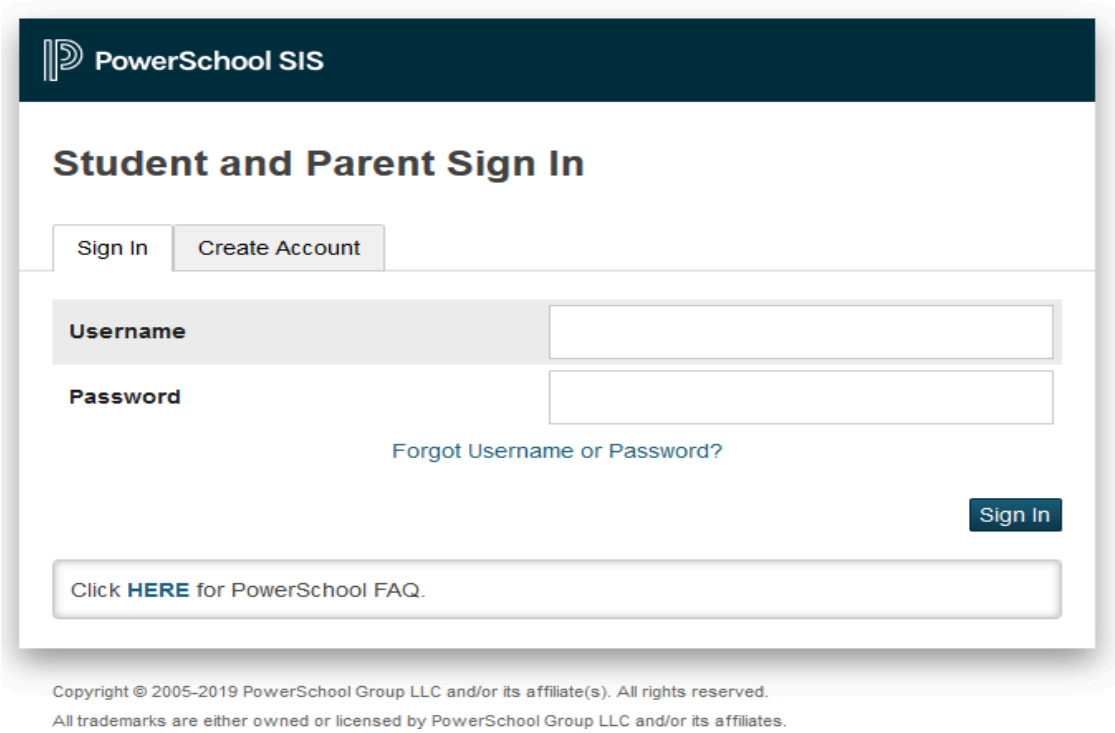

Example:

3. Accessing Forms in PowerSchool Parent Portal

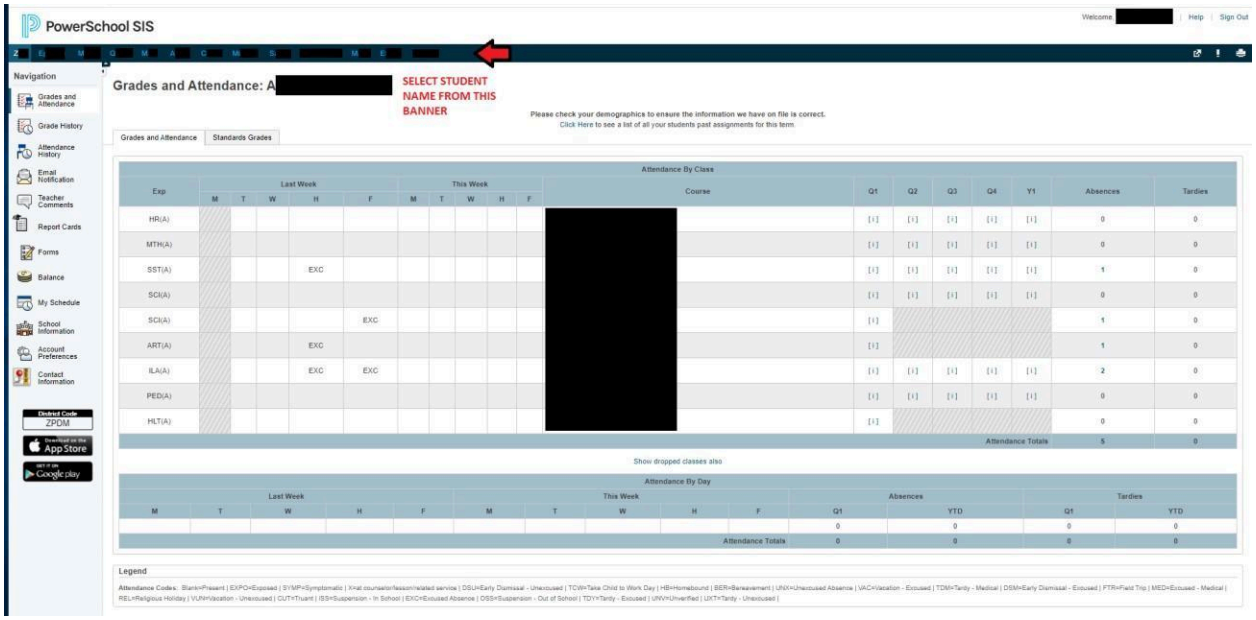

Log into your PowerSchool Parent Portal account at : https://reedsville.powerschool.com/public/

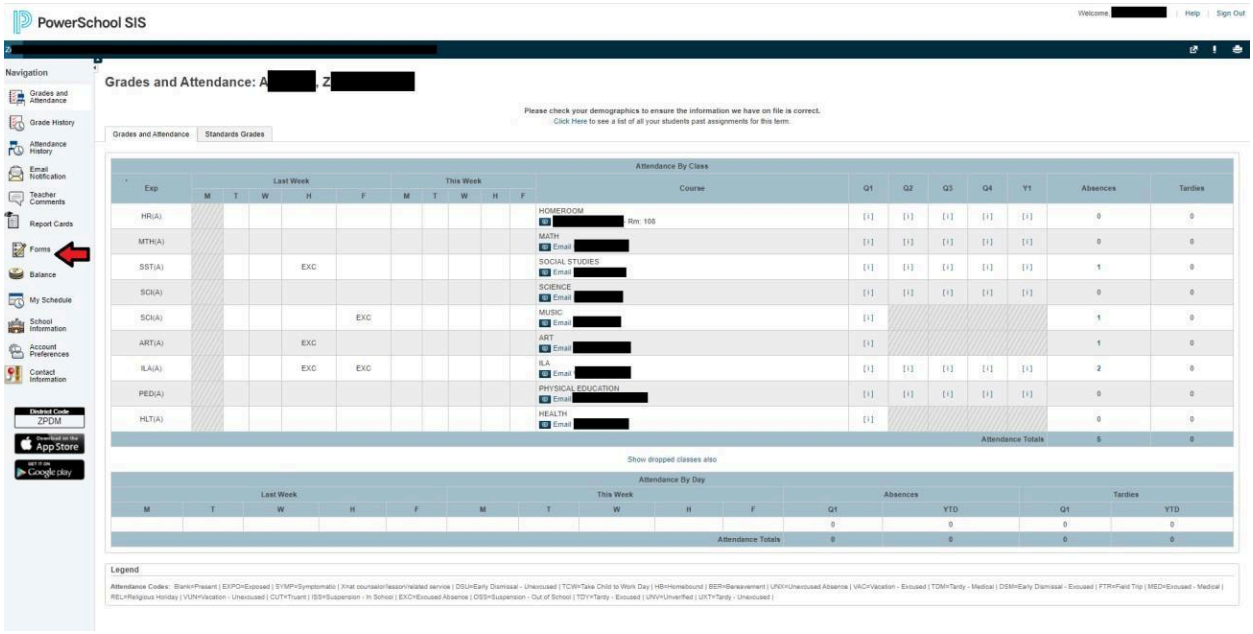

by entering your username and password. If you forgot your PowerSchool Parent Portal username and/or password, click the link in blue forgot username or password.

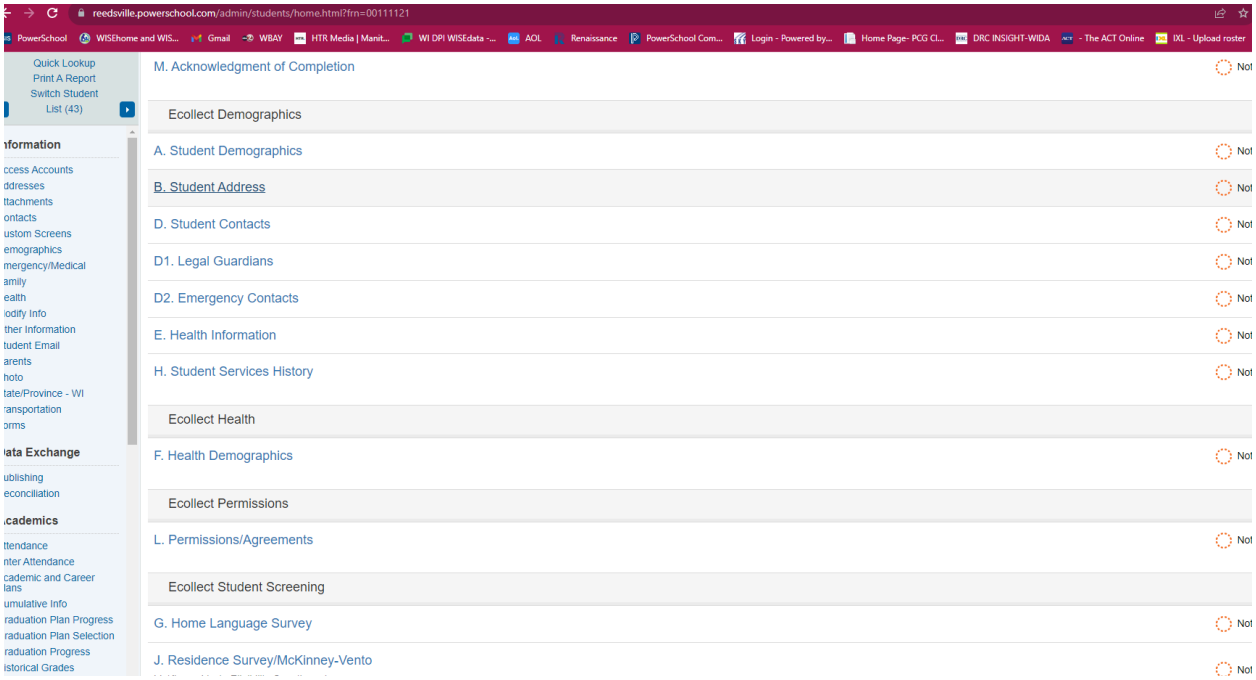

Once you have successfully logged into Powerschool Parent Portal, select your child from the banner at the top of the page.

On the left side menu, select “Forms”. (Please note that you can only view and update the set of forms under one student at a time. If you have more than one student in the district, you will have to go to each student tab to view and submit their forms.)

Complete all forms in your account for each child.

About PowerSchool Parent Portal

What is the PowerSchool Parent Portal?

PowerSchool is the school district's electronic student information system (SIS). PowerSchool helps your school access and maintain student, staff, and schedule information. PowerSchool uses the Internet to facilitate student information management and communication among school administrators, teachers, parents, and students.

The PowerSchool Student and Parent portal is a tool that is integrated into the PowerSchool Student Information System (SIS) that is specifically developed for parents and students. The PowerSchool Student and Parent portal gives parents and students access to real-time information including attendance, grades and detailed assignment descriptions, school bulletins, and even personal messages from the teacher. Everyone stays connected: Students stay on top of assignments, parents are able to participate more fully in their student's progress, and teachers can use their grade book to make decisions on what information they want to share with parents and students.

Mobile App Download

PowerSchool Mobile can be downloaded from the Apple App Store or the Google Play Store:

1. **iOS App :** https://itunes.apple.com/us/app/powerschool-mobile/id973741088
2. **Android App:** https://play.google.com/store/apps/details?id=com.powerschool.portal

Note:

1. You can also open the **App Store app** on your iOS device and search for "**PowerSchool**". PowerSchool apps should be the first results that appear.
2. You can also open the **Play Store** app on your Android device and search for "**PowerSchool**". PowerSchool apps should be the first results that appear.

Sign in to the PowerSchool Mobile App for iOS

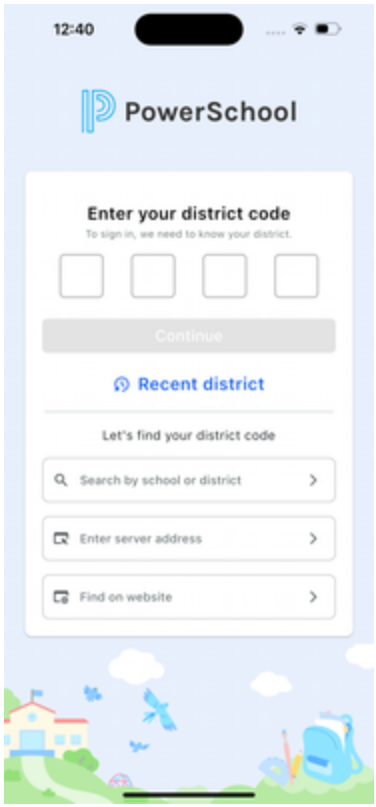

After you have downloaded the mobile app to your device, configure the app to recognize the server at your school district and then sign in to the app with your PowerSchool Student and Parent Portal username and password.
The PowerSchool Mobile app walks you through the process.

Note: If you do not have a PowerSchool Student and Parent Portal account, tap **I Need An Account** at the bottom of the first screen for complete information on how to get an account.

Enter the District Code

The district code is a four-digit code that you enter on the sign in screen. This connects the app to the PowerSchool SIS at your school district. You will then enter your username and password to sign in to PowerSchool.

REEDSVILLE DISTRICT CODE IS: WFCP

Begin logging in with the login and password you chose in the setup process. You will now see your child's dashboard.
