

The Exchange is a vintage & farm inspired outdoor market located in Andover, NH. “The Exchange” is a juried event accepting vendors based on the variety and quality of goods offered. We aim to provide customers with a collection of merchants who compliment one another in such a way that helps to create the unique ‘feel’ at our special market.

We are not looking for housewares, commercial product sales (Pampered Chef, Colorstreet, etc.), electronics/DVDs, Tupperware, toys (unless old & neat!) or other ‘yard sale’ items.

Unsure if what you’re selling is what we’re looking for? Ask!

We are currently accepting applications from sellers who also love and appreciate all things vintage, antique, re-purposed, and/or handmade. Food vendors, gardeners, and artists are also invited to share their talent (food trucks, florists, etc.)! We try hard to feature a variety of goods and aim to have vendors who offer different types of products.

When applying please note that staged photos of your products that showcase your offerings work best and appeal well to our team and customers. We also require our vendors to carry liability insurance to sell with us. Need some direction? We’re happy to help.

Does ‘The Exchange’ sound like it might be the right place to showcase your small business? If so, please email us at thewhitesparrownh@gmail.com for an application!

We look forward to having you!
