Students:	Ideal for students that completed Algebra 2
Cost:	\$225

- Twenty hours of instruction and practice:
 - Students will learn numerous test-taking strategies.
 - Math content from Algebra 1, Geometry, and Algebra 2 will be reviewed.
 - Practice tests will be scored for all sections of the test.
 - Students will complete at least two full practice tests.
- Individualized attention:
 - Office hours available during the week.
 - Students may request a follow up session to review an additional practice test.
- Savings:
 - Over \$500. (Princeton Review and Kaplan courses cost more than \$700).
- Experience:
 - Two National Board Certified teachers and curriculum leaders with extensive experience preparing students for the SAT—over 40 years combined!
