IDEAS FOR FUTURE VIDEOS I'D LIKE TO MAKE:
-History of Monsters
    -Dracula
    -Frankenstein
    -Vampires
    -Mummies
    -Fish people
    -Zombies
-Future Franchises
    -Alien
    -Evil Dead
    -The Fly
    -Scanners
    -The Grudge
    -The Omen
    -Slumber Party Massacre
    -Prom Night
    -The Lost Boys
    -Jaws
    -I know What you Did Last Summer
    -Maniac Cop
    -Phantasm
    -Puppet Master
    -Saw
    -Texas Chainsaw
    -Toxic Avengers

-Species
-Ghoulies
-Hatchet
-The Blind Dead
-Night of the Demons
-The Purge
-The Howling
-Wrong Turn
-The Exorcist
-Night of the Living Dead
-Friday the 13th and Nightmare on Elm Street as the series finales
-One final Franchise video about all of the media that has come out in these franchises since I started making Franchise videos
-Amityville Horror (as a podcast, there's like forty or so of those movies and if I had to do it in video form it might kill me lol)
- Reflections of Evil

- Thesis Video (not really sure about how to describe this one yet, it is early in my mind but I want to better express my opinions on horror and genre fiction as a whole)
- Dark Fantasy
-Doppelgangers
-Stanley Kubrick and Online Conspiracy Theory Culture

As I think of more I will update this list. Often if an idea captures me then I will push off current projects to make that instead, such as what I'm doing currently with the Scum Manifesto video which was an idea that I had a few weeks ago, so often when I do get a new idea it will be moved to the top of the slate.
