

Hey [Name],

I've been following you since I saw your "How to Actually get a Girlfriend" Video

I like your content because you genuinely strive to help men improve themselves and their Romantic lives

At the end of this email, you'll find a marketing email you can send to your newsletter subscribers

That uses the power of storytelling to captivate your audience and drive them towards your Sales Page

I'm open to make any change or adjustment, so it perfectly aligns with your brand and objectives

If you find my writing valuable, then let me know if there's anything else related to online marketing, I can support you with

If you find my writing valuable, then just respond back and tell me

if there's anything else related to online marketing, I can support you with

Cheers,

[Signature]

P.S. I got so invested writing the history that I end up making it a little bit long 😊, hope you like it
