

Activity: Middle School Boys Soccer

Program Overview:

Beginning in early September, Hainesport School offers Middle School Boys Soccer to students in 6th through 8th grades. They compete in a competitive league with surrounding schools in Eastern Burlington County. There will be tryouts for the soccer team. Coach(es) will evaluate using a rubric for tryouts. The size of the team varies per season, ideally keeping the team to a *maximum of 16 boys*. If accepted to the team, attendance is required at every practice/game, unless absent from school. Students who make the team are required to be in communication with the coach on a regular basis about grades and attendance. Practice and game schedules will be distributed once the student makes the team. Practices will be held from 3:30 to 5:00. Finalized schedules will also be posted on the school's website.
