Dear Anselmo-Merna Public School Patrons,

At Anselmo-Merna Public School, fiscal responsibility and stewardship of taxpayer dollars remain a top priority. As property valuations and state funding formulas change, the Board of Education and administration remain committed to transparency and thoughtful financial decision-making / planning.

For the current budget year, Anselmo-Merna's total taxes levied were **$3,542,365**. However, due to state property tax credits totaling **$1,409,800**, the net amount levied from local taxpayers is **$2,132,565**.

When this net levy is divided by the district's total valuation, the **effective school levy equals $0.30844**.

Most importantly, this means the actual levy paid by taxpayers is approximately **21 cents lower than the stated levy rate**, providing meaningful property tax relief while still allowing the district to meet its financial obligations and continue providing high-quality educational opportunities for our students.

At Anselmo-Merna Public School, we recognize that the livelihood of our patrons is rooted in the homes, farms, and businesses within our district. We are committed to honoring that responsibility through careful budgeting, strategic planning, and responsible stewardship of public funds.

Thank you for your continued support of Anselmo-Merna Public School and for the trust you place in us as stewards of your tax dollars.

Sincerely,

Lloyd McIntyre
Superintendent
Anselmo-Merna Public School
