

Privacy Policy

Effective Date: April 10, 2025

Thank you for using **Boolearn** (“we”, “our”, “us”). Your privacy is important to us. This Privacy Policy explains how we handle your information when you use our mobile application (“App”).

1. No Account Required

Boolearn does not require you to create an account. You can use the App without providing any personal information.

2. No Internet Connection Needed

Our App operates entirely offline. It does not require an internet connection, does not transmit data to external servers, and does not collect or share any information with third parties.

3. Local Data Storage

All your progress and related data are stored only on your device. We do not have access to your data, and it is never uploaded or shared.

4. Data Security

Since all data is stored locally on your device, you are responsible for its security. We recommend enabling device encryption and creating regular backups to protect your information.

5. Changes to This Privacy Policy

We may update this policy from time to time. Any changes will be effective when posted in the App. We recommend reviewing this policy periodically.

6. Contact Us

If you have any questions about this Privacy Policy, please contact us at:
