IEEE GIT hub Session

Session 2022-23

**Department of Electronics & Communication
Engineering
Jaipur Engineering College & Research Centre, Jaipur**

IEEE Git hub Session

Introduction about event:

IEEE is the world's largest technical professional organization dedicated to **advancing technology for the benefit of humanity**. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities. IEEE also sponsors a website designed to help young people better understand engineering. This website allows students to search for accredited engineering degree programs in Canada and the United States.

Through the Student Activities Committee, IEEE student branch organized a complete training session on GITHUB. This was a great opportunity for those who wanted to learn about one of the most popular and widely used tools for version control and collaborative software development.

The speaker of the session was **Mr. Chirag Vaishnav** (software developer at slice GDSC Club LMNIT Jaipur).
