Teacher: Ghezlane Aidi | **Lesson Plan/Week 14:** May 12- May 16| **Class:** 9

Code:CGC1W

	Monday	Tuesday	Wednesday	Friday
Unit/ Lesson	Teacher Absent – No Formal Lesson	Term Test: Population & Settlement	Unit 4 / Lesson 5.2: Opportunities and Challenges of Population Growth in Canada	Unit 4 / Lesson 5.3: Global Population Issues and Canada’s Role
Big Ideas		1. The government uses various strategies to adapt to demographic shifts. 2. Public services like transportation, housing, and healthcare are influenced by population data.	1.Population growth creates both opportunities and challenges for Canadian society. 2.Sustainable planning is necessary to manage demographic change. .	1. Global population issues (e.g., aging, overpopulation, climate migration) affect all countries. 2. Canada plays a role in global efforts to address population-related challenges.

**Learning
Goals**

1. Describe federal, provincial, and municipal strategies (e.g., transit plans, language services, senior supports).
2. Connect strategies to specific population trends.

1. Identify benefits of population growth (e.g., economic development, innovation).
2. Describe challenges (e.g., infrastructure strain, housing shortages).

1. Identify and explain global demographic issues.
2. Describe how Canada contributes through policy, aid, or immigration.

Instructional Strategies		- Teacher-led examples of current strategies (e.g., senior housing, transit expansion) - Students work in small groups to research a chosen strategy	PowerPoint lecture and visuals Class discussion on pros and cons of growth	-Group reading or video segment -Charting activity: global issues + Canada's role -Whole-class discussion
Assessment / Evaluation		- Evaluation of research notes and planning - Teacher circulation during group work	-Student participation -Completed graphic organizer or reflection notes	-Exit ticket: "Which global population issue matters most to you, and why?" -Observation of group activity
Homework / Class Work		- Finish research or visual aid for presentation	-Reflection: "What is the biggest population challenge in your community?"	Research: One global population issue and Canada's response
Materials & Resources		- Computer lab - Chart paper / laptops - Peer worksheet	-Projector -Whiteboard -Video clip -Graphic organizer handout	-Printed reading material or video -Chart paper -Markers -Projector
