

Privacy Policy

Last updated: July 2026

Thank you for using **YourCut: MP3 & Video Editor**.

Your privacy is important to us. This Privacy Policy explains how the application collects, uses, and protects your information.

Information We Collect

Media Files

The app allows you to select audio and video files stored on your device in order to edit them.

These files are processed locally on your device and are **never uploaded to our servers**.

Advertising

The app uses **Google AdMob** to display advertisements.

AdMob may collect certain information such as:

- Device identifiers
- Advertising identifiers
- App interaction information
- Approximate device information

This information is collected and processed by Google in accordance with Google's Privacy Policy.

<https://policies.google.com/privacy>

In-App Purchases

Subscriptions and purchases are processed securely by **Apple App Store** or **Google Play Store**.

We do not receive or store your payment card information.

How We Use Information

Information may be used to:

- Provide app functionality
- Display advertisements
- Process subscriptions
- Improve app stability and performance
- Prevent fraud

Data Storage

All audio and video editing is performed locally on your device.

We do not operate servers that store your personal media files.

Third-Party Services

This app may use:

- Google AdMob
- Apple App Store
- Google Play Billing

These services have their own privacy policies.

Children's Privacy

The application is not directed toward children under the age of 13.

Changes to This Policy

We may update this Privacy Policy from time to time. Changes will be published on this page.
