GATE Assessment Review	May 2023
Result Notifications	June 2023

GATE Testing Referral Procedures:

All 2nd grade students, with a completed permission slip, will be tested during the school day. In order for 3rd-8th grade students to participate in GATE testing, each student must have two completed referral forms:

1. Westlake GATE Parent Referral Form
2. Westlake GATE Teacher Referral Form

Westlake Charter will notify families of the designated date for testing. WCS uses the Naglieri Nonverbal Ability Test®-Third Edition online assessment. All 2nd grade students and students who have completed referrals by the deadline may take a makeup test if needed. The makeup test can only be given to students who were registered to take the test, but were unable to do so on the original testing date. Students previously tested and identified as GATE, do not need to test again.

Results will be sent to the parents of all students who take the test in late May/early June.
