Life Box

In a shoe box (or other container), please collect at least six of the following and be prepared to share your box on your assigned day (_____). Remember, you can include a symbol for something if it does not fit in the box! You will have less than five minutes to share all of your objects, so you should practice presenting with someone in your family!

1. Something you collect
2. Something from when you were very young
3. Something from your family's heritage
4. Something you made
5. Something that you worry about
6. Something from another country
7. Something that represents what you would like to do in the future
8. Something you love to do in your free time
9. Something that you are good at
10. Free choice.... something that tells us about you

This project will give us a chance to get to know one another as we start a new school year and your photo will decorate our wall all year long!
