

Summer Professional Learning Opportunities

June and July 2021

In an effort to diminish or limit the spread of COVID-19, most of our summer classes will be offered through video conferencing and online formats. We are offering a limited number of face-to-face courses.

Heartland AEA consultants will continue to partner with districts to offer professional learning in the schools they serve. These are the [classes and workshops](#) being offered agency wide in Heartland AEA this summer. *This list is updated daily.*

If you are interested in classes and workshops being offered across the AEA system, you can search the [AEA Professional Learning Registration System](#).

If you have any questions related to Heartland AEA's professional learning opportunities, email profdev@heartlandaea.org.
