October 2, 2025

Dear Parents and Guardians,

We are excited to announce an important school-wide initiative at Westover High School. On **Tuesday, October 7, 2025**, we are aiming for *100% student attendance*, a day where every student is present and learning together.

Attendance is one of the most important factors in student success. Being in school provides opportunities for growth, learning, and achievement that simply cannot be replaced. Parents and guardians, we need your help to make this day a success! Please make every effort to ensure your child(ren) are present and on time.

To encourage participation, students will also receive an incentive.

Your partnership means so much. When families and schools work together, students thrive. Let's unite to make October 7th a day to remember, because at WHS, *we are The Best at the West!*

Thank you for your continued support in helping us build a culture of success and excellence for all our students.

With appreciation,

LaKenya R. Johnson
School Social Worker
