

21C Writing Prompt

Grades K-1

This week we are thinking about Fall. Many people dress up during the month of October. Dressing up is like pretending to be something or someone else. If you could dress up as something or someone else, what or who would you dress up as? What would you look like? How would you act? Why would you choose to dress up as that thing or person? Think about these questions, then draw a picture of yourself dressed up as that thing or person!

Draw a picture of:

This is a picture of me dressed up.

Write your name under the picture and at least one word that tells us what or who you dressed up as. Ask for help with spelling if you need it!

Learning Extensions

Think about what you would dress up as. What would that thing or person do throughout their day? Write one to two sentences describing your dressed up day.
