SL: "the true reason why you are insecure"

No matter how much confidence you have,

You'll still feel embarrassed in your friend circle if you are overweight.

Do you agree with me?

Being overweight in young age kills our dreams,

Sometimes you must be feeling depressed.

Because no one wants to have a friend who looks like Hippo.

Picture this: you have a Hollywood physique.

Women stare at you with admiration when you go outside

Boys are scared to get in trouble with you,

Your girlfriend feels safe with you,

And you are the most powerful man in your lineage.

What do you wanna see when you look in the mirror?

A man with chubby body, big glutes and fatty mass hanging around

Or a beast with huge biceps, abs and a chest of steel?

If you are tired of being weak and insecure due to overweight and ready to do what it takes to become a BEAST,
