The Mission

The Antioch Recovery Club (hereafter referred to as “ARC” or “Club”) mission is to provide a safe facility for members recovering from drug and alcohol addiction and the people who love them. We host 12-Step meetings and social events for members and their families. We host in-person and virtual meetings and remind our members and guests that the ARC is 100% supported by contributions. Board members and committee members are not financially compensated.

The Impact

Club Operations

The Antioch Recovery Club welcomes your support; whether acts of service or monetary gift. No donation is considered too small or too large and they help immensely, ensuring operating expenses are met and future programs are funded. Contributions cover the cost of rent and utilities for the location as well as running the zoom platform to provide virtual support to the recovery community. Please consider a sustaining donation to help us carry the message.

Community Welfare

The Antioch Recovery Club is funded 100% by contributions. Our goal is to be fully self-supporting; however, we greatly appreciate any support from those who have a desire to help others, and in turn make a difference throughout the recovery community. It is our hope that we can continue to rely on our friends helping make this possible. Our community's welfare is a shared responsibility.

We are a Non-Profit

Contributions are fully tax deductible, as the ARC is a nonprofit 501 (c)(3) corporation. Please know that any help you provide goes directly toward keeping the doors open and is greatly appreciated. Our mission to assist others to recover is upheld by your generosity. Our board members are strictly volunteers, and we have no paid employees. With your support, we hope to help as many people as possible rebuild their lives, and recover from drug and alcohol addiction.
