NAME	TITLE & SHORT DESCRIPTION	DURATION
<b>TEDx Video</b> <a href="#">Here is the link</a>		2 min
Eklesia Hasani Megi Gjermeni	<b>Introduction</b>	2 min
Olivia Lu Mia Martisek (Grade 5)	<b>Social psychology and expectations</b> We will be talking about how much people influence our decisions, and how prejudice can create borders between ourselves.	5 min
Maja Ležnicka (Grade 11)	<b>Dissatisfied with your life? Listen to this.</b> In a world where we are surrounded by perfect instagram-like lives, newer and newer possibilities and self-development pressure, it is easy to forget about the beauty of our existence and fall into the trap of continuous disappointment instead. For this reason, in my talk I will show why the mindset of constantly wanting more and more is not really worth it.	7 min
Yaseen Alafoon Caroline Paul (Grade 8)	<b>How failure can result in growth</b> How making mistakes and not succeeding can lead and turn into individual success.	6-8 min
Luis Koester (Teacher)	<b>Four Ways You Could Suddenly Die, According to Physics</b> We will explore four possible (though unlikely) ways you could suddenly cease to exist according to physics!	15 min
Jakub Kuna (Grade 11)	<b>How body language can help us in understanding others?</b> How knowing each other's roots can help us in more effective communication? Beyond the borders of verbal language!	8-10 min
Eglantina Gjermeni (Parent) Permanent Representative of Albania to the International organizations in Vienna.	<b>Beyond Borders</b> Exploring the ways borders are established in order to protect or separate us. Understanding that while borders might offer protection, they should not become barriers to connection and cooperations. Discussing on how women can overcome barriers/mental borders in their personal and professional lives.	Max 18 min
Ariana Brink (Grade 11)	<b>Beyond the borders of time</b> Exploring some ways that you are connected to animals from millions of years ago and why extinct animals are important.	10 min
Eklesia Hasani Megi Gjermeni	<b>Conclusion</b> + Slide	2 min
