

Privacy Policy

We take your privacy seriously and are committed to protecting your personal information. This privacy policy applies to our chrome extension "Nofollow Link Hunter" and explains how we collect, use, and disclose your personal information.

1. Information Collection

Our extension collects information about the links on the webpage that you visit. This includes the URL, the anchor text, and the `rel` attribute of the link. We do not collect any personal information such as your name, email address, or browsing history.

2. Use of Information

We use the collected information to highlight nonfollow links and count nofollow vs follow links on the webpage. The information is also used to improve the functionality and performance of our extension.

3. Disclosure of Information

We do not share, sell, or disclose any of the collected information to any third parties. We may disclose information if required by law or to protect our rights.

4. Security

We take appropriate measures to protect the collected information from unauthorized access, alteration, or destruction. We also regularly review and update our security measures to ensure the highest level of protection.

5. Contact Us

If you have any questions about our privacy policy or the information we collect, please contact us at **nofollowhunter@gmail.com**
