Division of Labor	Everyone in the group completed their assigned roles and we used everyone's ideas to make the final product.	Everyone in the group contributed to the final product and we mostly did our assigned roles.	We had some struggles working together, but we did do a bit of work together.	We did not work together in the group
Understanding	We checked for understanding and did not move on until everyone understood the content	We checked to see that everyone understood and we mostly understand the content.	We're still confused about a few things, but we stopped trying to figure it out.	Not everyone in our group understands
On Task	We stayed on task the whole time.	We were 75% on task	We were 50% on task	We were mostly off task.
Class Rules	We followed the class rules the whole time. We were respectful, asked for and gave help, and engaged in positive talk.	We mostly followed the class rules	We had some trouble with the class rules, but we tried.	We did not follow the class rules
