Abstract: Abstrak summarizes the contents of a chapter in no more than 200 words. Abstracts will appear in [publicabooks](#) and be available with unlimited access to facilitate online search (e.g. Google) and allow unregistered users to read abstracts as teasers for the full chapter. If no abstract is submitted, we will use the first paragraph of the chapter instead. [Font 10 Times New Roman]

Introduction

This template is written as a guide to the format or layout of the book writing dynamic system for sustainable development with a theme tailored to the theme of the Book of Chapter. Authors must follow the rules of writing, both in terms of typeface, size, layout, systematics and reference writing. No less important is that the writing follows the General Guidelines of spelling Indonesian (PUEBI), uses the right vocabulary and follows scientific rules well and correctly. In addition, writing must adhere to the ethics of scientific publications. The body of the article includes a bibliography written in one column as in this template. The writing of the first line in a paragraph is written jutting into one tab (0.5 cm). [for font 11pt Times New Roman].

Typing a script will be easier when using Microsoft Word software. Use the Page Layout menu to determine the paper size used: Use Custom Size Format, **Width = 15 cm, Height = 23 cm**; Top margin is set to 2,5 cm and bottom margin is set to 2,5 cm; Left and right margins are set to 2,0 cm.

Manuscript length 10 to 20 pages, font 11pt, Times New Roman, single space. In Tech can overwhelmingly accept shorter or longer manuscripts, provided the scientific content is of high value. Additional page fees may be charged if the manuscript is substantially longer than 20 pages.

Sub-heading writing is not necessary with numbering. Simply

written With Thickening (Bold) Only. While to write citations in using the Harvard system, such as: (Miller and Smith 1994) or Miller and Smith (1994). Try to use management references. The use of management references such as zotero, mendeley will make it easier for the author.

Discussion

In the discussion section there is no need to write a discussion subtitle. As in this template, simply written sub-headings of the discussion are written boldly. [for font 11pt Times New Roman].

Articles can contain tables and/or images. Tables or pictures should not be too long, too big and too much. Authors should use variations in table and drawing presentations. The tables and images presented should be referenced in the text. The size of the table fill letter can be reduced.

Conclusion

The cover contains the conclusion of the results of the description and can be added suggestions or recommendations of the author when any. In order for this template to be applied in an orderly manner, the author can download the template and save the file on a personal computer by renaming

the file, then edit the writing in this template with articles from the author, preferably gradually, without removing sub-headings, without changing the format. To make it easier to write reference sources, use software such as Endnote, Mendeley, Zotero and so on. [for font 11pt Times New Roman].

Expression of Gratitude

This section can be used to express appreciation to institutions or institutions that have supported the author in **the** bookchapter**writing** program. This section is additional and non-mandatory. [for font 11pt Times New Roman].
