Abstract. The following guidelines are provided for the preparation of abstracts to be submitted to the 16th TSME International Conference on Mechanical Engineering. Authors who are able to access this file in Microsoft Word may utilize it directly as a template. In cases where the file cannot be opened, this document shall serve as the official instruction set. All submitted abstracts must strictly adhere to the prescribed format in order to be considered for publication in the conference book of abstracts. The recommended length of the abstract is between 300 and 400 words, and the text must be prepared using Times New Roman font, size 11.

Keywords: Provide 3 – 5 keywords related to your paper for indexing of the article.

Option See the details in https://tsme.org/icome2026/instruction-for-authors/
