

A Boy Called Bat Chapters 1-5 Activities:

Activity #1:

Foods We Don't Like—Bat has strong food preferences. What foods do you not like? Make a list of the foods that you love and a list of the foods that you hate.

Activity #2:

Your Cave—Draw a diagram, map, or detailed picture of how your room is arranged. Be sure to include arrows or markers or labels to specify the stuff you like “a certain way.”

Activity #3:

Draw Your Feelings—Bat describes the difficult-to-control feeling of anger welling up inside him. Know that feeling? Draw it! What does it do your other feelings look like? Happy, sad, confused? Draw out those feelings, too!

OR

Baby Animals Poster- Make a poster with a list of baby animal names. Start with hoglet and kit.

Challenge Activity:

Skunks! Find out three unusual facts about skunks. Create three questions from your facts and see if you can stump friends and teachers! Are there any other animals that you can discover that give off a harsh odor when they are scared?
