A Little About Me

I come to you from Burbank, CA where I grew up. I graduated from UCLA with a BA in English and got my Masters in Education and teaching credential in Secondary Mathematics from the University of Phoenix. This is my 10th year teaching and my 7th year at DHS. In my spare time, when I have it, I enjoy traveling everywhere, live music and film. Above all I enjoy spending time with my family. I have a 5 year old son who and a 1 year old daughter. =)
