

Coaches,

On behalf of Deep Run Valley Little League, **THANK YOU** for volunteering to coach baseball this Spring! Your involvement ensures that our boys have fun, develop as baseball players, and learn values that will improve them as individuals and carry them through life. Deep Run Valley Sports has and will continue to be an important part of our community powered by volunteers such as yourself.

Enclosed in this packet are the following items:

- Updated team roster
- Deep Run Division Philosophy / Rules
- Coaching Resources

Before you start the season, familiarize yourself with the philosophy and rules of each Division. Utilize the various coaching resources to better prepare for practices and games. **Communicate early and regularly with parents.**

Choose a pants color and quickly let parents know what to buy (use the team colors lookup on the reverse side).

Enrollment is UP over 20%! This year we introduced four Winter Training Sessions for all players (ages 6-12) to help them better prepare for Spring ball. We are continuing the USA Quickball program at the Little Sluggers and Rookies Divisions. We've shifted the ages for our AA (ages 8-9) and AAA (ages 10-11) Divisions and are re-introducing kid pitch to AA. Our AA field now has a permanent fence and our AA and AAA fields have new scoreboards. We've improved fencing on our Majors, AAA, and A fields. We have a new shed coming for AAA/AA. Our Majors field was hydroseeded in the Fall and we are improving drainage and upgrading our infield mix on all fields. We are starting a new Challenger Division....and much more! There are too many volunteers to list - **THANK YOU** to everyone who's helping.
