

Whereas the Liberal Party has grown considerably since its founding, creating a party of diverse ideologies,

Whereas the Liberal Party platform has not received any major update since then,

A motion to create a committee to create a committee for the updating of the party platform:

- (a) There shall be a committee titled the Liberal Party Platform Maintenance Committee, or LPPMC.
- (b) The LPPMC shall be tasked with rewriting the Liberal Party Platform to better represent the Liberal Party's members.
 - (i) The LPPMC may reuse planks of the current platform if they approve of said plank.
 - (ii) The LPPMC shall vote on each plank a member rewrites, removes, or adds.
 - (iii) The LPPMC may devise and vote on an internal system and structure for rewriting the platform, including but not limited to a schedule or assigning members to different functions or sections.
- (c) The LPPMC will consist of five members, with one members serving as the chairman.
 - (i) The Chairman shall serve as the leader of the committee, having the largest mandate and strongest voice on the committee.
 - (ii) The Chairman shall have two votes on all internal committee votes.
- (d) The LPPMC shall be elected by the members of the Liberal Party using single transferable vote, with the first person to be elected assuming the role of chairman.
- (e) In accordance with the Liberal Party constitution, the final platform presented to the party by the LPPMC shall be voted on by the party as whole.
 - (i) If the platform is approved the LPPMC shall be dissolved.
 - (ii) If the platform is disapproved the LPPMC shall amend the areas of the platform that the LPPMC deems most controversial until the platform is approved.
