

Forest Hills Central (FHC) Crew Boosters
P.O Box 960, Ada MI, 49301
501(c)(3) EIN 65-1185186

November 2025

Dear Local Business,

Each year, hundreds of parents and alumni rally behind the Forest Hills Central Crew Team—fueling regattas, maintaining essential equipment, and supporting the 60–80 athletes who train and compete across Michigan and beyond.

On February 28, 2026, we will host a live and silent auction, and we are inviting local businesses to stand with us. Your donation—whether a gift certificate, product, service, or sponsorship—directly strengthens our athletes and shines a spotlight on your company’s commitment to youth in our community.

Crew is a co-ed, no-cut sport that welcomes every student willing to work hard. To stay competitive and safe on the water, our team depends on reliable boats, oars, motors, ergometers, and more. This year, we’re also launching our first-ever team Spring training trip to South Carolina, and expanding our scholarship fund to ensure every athlete—regardless of financial means—can row.

Now in our 31st year, FHC Crew is the largest team at the school. Last season, our athletes earned medals at the Michigan State Championships, Midwest Championships, and the Canadian Championships, and we sent two boats to Nationals in New Jersey. Over three decades, 49 FHC rowers have gone on to compete at the collegiate level.

Your support helps write the next chapter. To submit a donation for the auction, please fill out this [form](#). If you have questions or would like more details, please contact Blythe Kazmierczak.

Thank you for considering a contribution. Your business will be recognized in our event program and auction website, perhaps you will gain some new rowing enthusiast patrons and your generosity will give our athletes an experience that strengthens them physically, mentally, and socially for life.
