

November 2022

Dear Friends of NSH;

RE: North SEERA's Annual Silent Auction

The North SEERA Hockey Society (NSH), a nonprofit organization, is the operating area known as Area II of the South East Edmonton Recreation Association. Formed in 1986, North SEERA operates minor hockey programs for young hockey player's ages 4 to 12, from U7 through to U13. Our U15-17 aged players combine with our sister operating area, Millwood's Hockey, Area I, to play under the SEERA banner.

Each year, hundreds of young players participate at various levels in the North SEERA program. The hockey experience can be expensive, so NSH tries to be sensitive to the financial capabilities of the parents. Since all teams are responsible for establishing their own "team bank accounts" for the season, the Silent Auction was created by NSH to help each team raise money for use towards additional practice ice, tournament fees, clothing purchases, team photos, and team parties.

The commitment and support from the communities and businesses makes it possible for NSH to offer a quality program at affordable rates. NSH expresses its sincere appreciation to its many sponsors and donors and encourages all members to support these businesses and services.

Should you have any questions or comments regarding donations, please contact the team manager or the North SEERA fundraising executive member Anna Millar at fundraising@northseera.ca

For more information on NSH, please visit our website at northseera.ca. Your support of North SEERA Hockey Society is greatly appreciated.

Sincerely,

Anna Millar
NSH Fundraising/Social Coordinator
