

It's time for a change. 

As of November 15th, this account is indefinitely locked to mutuals only, and deactivated from public view.

I will no longer be using Twitter as my main platform.

Any and all future posts through Twitter in the future have been moved to [@CarlosVAWasHere](#), and is reserved for promotional material and business inquiries only. (Voice Acting, Videos, etc.)

If you still follow me on this account, or if you're a mutual, you can find me there, *but I will be mostly active on my other socials below, from now on.*

It's been a great flight these past five years, but for now-
...it's time we fly on elsewhere. 

- Carlos
