Click [here](#) for instructions and easy to follow flow chart.**

Every student who has been registered as a transfer from another school within the previous twelve (12) months is ineligible for OFSAA-sanctioned events, unless they appeal and are deemed eligible by the OFSAA Transfers Committee under one of the four following sections.

- (a) (i) There has been an accompanying change in permanent residence by the student and their immediate family to the designated school from any system (public, catholic or independent) according to school board boundaries (or is the closest school in the student's choice of school system to the student's home if no school boundaries exist). If the independent school is faith-based, the student must attend the closest independent school of that particular faith. The student must have moved out of the school board boundaries of the sending school, or if the sending school has no school board boundaries, the receiving school must be closer to the student's new permanent residence than the sending school (see Note 6). Immediate family is the parent(s) or the student's legal guardian as determined by a court of competent jurisdiction. The student and their immediate family must completely and permanently move from the former residence. The student must provide evidence/documentation confirming that they are residing in a new permanent residence, and evidence/documentation that they have completely and permanently moved from the former residence. See Note 8.

- (ii) The student has transferred to an Ontario school from outside Canada and outside the United States and is attending the designated school in their choice of system (public, catholic or independent) according to school board boundaries; or is attending the closest school in the student's choice of system to the student's home if no school boundaries exist; or is attending a school assigned by the school board. If the independent school is faith-based, the student must attend the closest independent school of that particular faith. See Note 6.
☐ **confirmation that student has not graduated from previous school** See note 7.
- (iii) The student has transferred as a result of the closure of their former school and is attending the school designated by the School Board. ☐
- (iv) The student has transferred as a result of a board designated placement (i.e. demitted from a program, personal safety, completed expulsion program) and is attending that designated school. The appeal must be accompanied by documentation from the school or school board confirming the designation. ☐
- (b) (i) The student did not participate in any sports at the interschool level for twelve months prior to the date of transfer. Written confirmation from the vice principal, principal, department head, or athletic director at the previous school is required. Students in their first year of grade 9 may not apply under this section. ☐
- (ii) The student accepts their ineligibility under the Transfer Policy, but requests eligibility for the sports they did not participate in at the interschool level for the twelve months prior to the date of transfer. Written confirmation from the vice principal, principal, department head, or athletic director at the previous school is required. Students in their first year of grade 9 may not apply under this section. ☐

- (ii) The student has transferred from an independent school to a public or catholic school as the result of an educational exceptionality which the independent school was unsuccessful in accommodating. If changing systems, the students must attend the designated school according to school board boundaries (or is the closest school to the student's home residence if no school boundaries exist). If the independent school is faith-based, the student must attend the closest independent school of that particular faith.

Notwithstanding any of the above, no student may participate in the same sport for more than one school in the same League or municipality in the same school year unless the student is ruled eligible by the Federation's Transfer Committee under subsection (a) of the Transfer Policy. Participate means competing in exhibition games and invitational tournament/events, not just league play.

Notes:

1. Once a student has changed schools they are considered a transfer student and even if they return to a school, they must comply with the Transfer Policy.
2. The word "participate" in section (b) of the Transfer Policy means competing for your school in that activity. This includes exhibition games and invitational tournaments/events, not just league play.
3. The Transfers Committee **will not consider** as reasons for transfer:
 - (i) The relative ranking of schools or the differences in delivery of courses with the same Ministry course codes;
 - (ii) That a sport or team is no longer offered at the previous school.
4. Students moving from a school in a strike/lock-out area are ineligible for all sports played in the previous 12 months from their date of entry into the new school.
5. Students who attended an alternative school or alternative program who are returning to the school they attended prior to the alternative school or alternative program, are not considered transfer students provided they did not play sports while at the alternative school or alternative program.
6. Driving distance shall be used to determine the closest school to a student's home residence.
7. Students transferring from other provinces, states or countries are ineligible for OFSAA competition if they have graduated from high school or equivalent, or if they have used their years of athletic eligibility in the province, state or country from which they are transferring. This does not apply to students who have graduated in the previous school year from secondary school in Quebec, provided they meet one of the criteria for eligibility in sections a – d of the transfer policy.
8. When applying under section (a)(i), the student must provide evidence/documentation confirming that they and their immediate family are residing in a new permanent residence and that they have completely and permanently moved from the former residence. When applying under section d(ii) of the policy the student must provide evidence/documentation confirming that they are residing in a new permanent residence. In both cases, such evidence/documentation may include:

By signing the form, your administration is verifying that the address places the student in your boundaries.

For a(ii) only, students may provide documentation confirming they have been processed by the school board's assessment center.

Production of evidence/documentation described above does not guarantee eligibility.

9. Prep/elite teams fall into two categories: a **school prep/elite team** and a **non-school prep/elite team**. A school prep/elite team is a team that represents the school in competition and/or is under the oversight of the school administration. If a student participates for a **school prep/elite team**, and then that student transfers schools, they may not apply under section b (i), and they are considered to have participated in the prep/elite team sport at the

interschool level if applying under section b(ii) or b(iii).

10. Students must have transferred from an English-language school to a French-language school. A French-language school means a school within the French-language public district school board or a French-language separate district school board.
11. Refugee students, arriving to Ontario, are not considered transfer students and are eligible for all sports within the first two years from their date of entry into school. Refugees are defined as those students who have been forced to leave their country to escape war, persecution, or natural disaster.
