

2024-25 Concert Attire Requirements

Singers are responsible for organizing/purchasing their own concert attire. Links are listed below. If the cost of doing so is prohibitive, please contact the Chorus Manager, Emmi Olson, at emmilu.olson@citychoir.org. The Chorus Manager has most sizes available to try on at rehearsal.

Please make sure that you order your attire well in advance of the concert (we recommend at least 30 days prior), so you will have time for hemming and any stock delays.
