

**INSTRUCTIONS FOR AUTHORS  
SCIENTIFIC JOURNAL META LAW  
E-ISSN: 2723-7737 / P-ISSN: 2745-5262**

The following are Guidelines for Manuscript Writing in Meta Law Scientific Journal:

1. The manuscript is the result of original scientific work that has never been published, and is not being submitted for publication in other places / media / journals.
2. Manuscripts can be written using Indonesian or English. Authors are expected to write their journals in accordance with the format used.
3. The journal is written in a maximum of 10 pages. Then you can send it through the Scientific Metadata journal address at the following link <https://ejournal.steitholabulilmi.ac.id/index.php/jmh/index>. Authors must log in first to submit their journals.
4. The systematic writing of the journal contains an introduction consisting of the background of the problem and research objectives, related studies, methods used in problem solving, results and discussion, conclusions and suggestions, a list of references.
5. The writing format must follow the following format:
  - o Title: 24 pt.
  - o Author's name: 11 pt.
  - o Footnote: 8pt.
  - o Section, subsection and reference headings: 10pt and capitalized.
  - o Content text : 10 pt, left-right aligned.
  - o Abstract: 9pt, bold and left-right aligned.
  - o Image caption: 8pt, center.
  - o Table caption: 8pt, center.
  - o References: 8pt, left-right aligned.
  - o Margin: Left: 20mm, right: 20mm, top: 20mm, bottom: 20mm.
6. Tables must be numbered, for example: Table 1. Category. With the table caption (table number and title) placed in the center position above the table.
7. Images must be numbered, for example: Context Diagram. With a description of the image (number and title of the image) placed in the center position above the image.
8. Writing mathematical formulas must be written clearly, accompanied by numbering and containing information about the formula in question.

9. Citations and references are written using IEEE Style. Referencing is done in a numbering format. The numbering refers to the reference list used. Citations in the text content that refer to the reference list are written in numbers accompanied by square brackets, Example: [1] First reference.
10. Reference sources or citations included in the manuscript are primary reference sources published in the last 10 years.
11. All manuscripts submitted for publication in the Metadata Scientific journal at the following link <https://ejournal.steitholabulilmi.ac.id/index.php/jmh/index> will go through an assessment process by Bestari Partners/Reviewers.
12. The authors will receive notification from the editor, if the manuscript is rejected or accepted. The author of the manuscript will be given the opportunity to improve the manuscript on the recommendations/suggestions of the Bestari Partner/Reviewer.
