## 2025-2026 Sophomore Course Selection Form

### **IMPORTANT - READ CAREFULLY**

Students should choose their courses, including electives, carefully. Due to the individual options available to meet the requirements for a selected graduation plan, the student and parent must ultimately be responsible for requesting the required curriculum for their student's choice of plans.

Alternate courses	

**Note:**

\*Summer Assignment: advanced courses may have a summer assignment. It is your responsibility to check the High School website under the Summer Assignments tab for any advanced course you select.

\*\*\*Band may satisfy a PE and an Art credit if taken for two full years. If taken for just 1 year it will count as an Art credit.

I have read and approve the schedule shown above. Each year the master schedule is created based on student requests. As a result, some courses may not be offered and conflicts may occur when scheduling students in the new master schedule. Thus, it is **NOT A GUARANTEE** that a student will receive all his/her requests and an alternate will be used. If no alternate course is listed, a course will be chosen by the counselor. The last day to submit a schedule change request is May 23, 2025.
