

Parker/Jernigan Scholarship Fund

Earl and Betty Parker of Gates County, NC were the parents of five children with Clay being the youngest. Earl was a fourth-generation farmer and Betty was a stay at home wife and mother.

Kirby and Carolyn Jernigan of Goldsboro, NC are the proud parents of Marcie who is their only child. Kirby was employed as a sales representative of Johnson Sherman Company and Carolyn is a long-time employee of the State of North Carolina.

Although both sets of parents only achieved a high school education, it was important to them to instill the necessity of achieving a higher education in their children. These two very modest families took pride in having strong morale compasses, a determined work ethic, a sense of thankfulness, and a giving heart.

The Parker and Jernigan families were united with the marriage of Clay and Marcie. Clay is a graduate of PCC and a three-time graduate of ECU. Clay holds an Associate Degree in Nursing, Bachelor of Science in Rehabilitation Studies, Bachelor of Science in Nursing, and a Master's Degree in Nursing as a Family Nurse Practitioner. He was a dedicated employee of ECU Health for over 23 years and currently serves as Director of Nursing Services for Proximity Management and Staffing Services. Marcie is a graduate of ECU and Campbell University. She currently holds a Bachelor of Science in Biology, Master's in Business Administration and Doctorate in Pharmacy. She is now sole owner and operator of Healthwise Pharmacy of Greenville, Proximity Management and Staffing Services, and multiple Vital Care locations in North Carolina, South Carolina, and Virginia.

The teachings and examples set by their parents laid the foundation for Clay and Marcie's success. Clay and Marcie Parker fund this scholarship in their parents' honor and memory for \$30,000 to help cover tuition expenses.
