ESSAY QUESTIONS:

In a separate document, please provide a personal statement which responds to all of the four questions listed below. Do not exceed three pages total.

1. Describe the events (classes, research projects, internships, accomplishments, etc.), experiences, and influential people (family members, teachers, mentors, etc.) that led to your choice of field of study.
2. What is your career vision? Include what you plan to do immediately after college graduation as well as long-term goals. What steps will you take to get there?
3. Describe your volunteer and community activities at present and during the past few years.
4. Explain how you have subsidized your education so far, and how you plan to fund your education for the upcoming academic year including work, loans, and scholarships.

APPLICATION MATERIALS:

Students should submit the following files (PDF) via email to acspss.edcomm@gmail.com:

- **Application form** (page 2-3 of this document)
- **Essay or personal statement** (which addresses the four questions at the top of this page)
- **Unofficial transcript(s)** of all undergraduate work to date, including community colleges

Confidential letter of recommendation must be submitted directly from a chemistry faculty member via email (acspss.edcomm@gmail.com) as a PDF (see page 1 for details). Please remind faculty members to submit their letter as the deadline approaches. Applications will not be considered complete until a letter is received.

SUBMISSION:

*Your completed application, transcript, and letter of recommendation must be received no later than **April 1**. Recipients will be invited to receive a certificate at the Annual Awards Banquet in the Summer/Fall. All students applying are welcome to attend the events and encouraged to hold the dates in case they are selected for the scholarship. (Dates will be announced on the [ACS Puget Sound Section's website](#).)*
