

SEESAW PARENT LOGIN, TRAINING & STUDENT LOGIN

Seesaw Parent Training & Set-up Steps:

- Watch this quick [Introduction Video](#) to learn more about Seesaw
- Receive Seesaw Family invite letter via email. [Check out the video](#) to see how to set up your account. Watch for an email from your child's teacher. This will allow you to set up your Seesaw account so you can view your child's work from the parent portal.
- Download or access the [Seesaw Family App](#) on your phone.
- Check out the [Seesaw FAQ's](#)
- For more information, check out the [family training slides in the presentation linked here](#).
- Get ready to interact with your child's teacher via Seesaw.

Seesaw Student Login:

- **Go to Clever Login:** [Clever Access](#)
- Students will login with Clever using the QR code OR can login with their school email provided for them. So if you lose your clever badge, you can always login with the school email by selecting, SIGN WITH GOOGLE.
- Download or access the [Seesaw Class App](#) or you can access Seesaw class on your computer using the clever login.
- Once students login to the Class Portal they can access all assignments/activities!

Here's what you can expect to see as a parent:

All students in Grades 4K-4, whether in-person or virtual will use the Seesaw platform to enhance learning.

September:

- All families get connected to Seesaw
- Introductory Posts:
 - Welcome Announcements
- Resources and information regarding daily expectations and routines
- Posting of daily learning tasks and video lessons for students
 - This will include resources from classroom teachers and specialist teachers (for virtual students)
- Links to join class live-stream lessons and activities

October-June:

- Announcements from the school
- Posting of daily learning tasks and video lessons for students
- Links to join class live-stream lessons and activities
