## *The beginners or Refresh guide into golf*

Below is a brief about each stage. Classes will be 6-8 people to make sure everyone gets the most out of their experience. Sessions will take place fortnightly on a Friday afternoon starting Friday 10<sup>th</sup> April:

Let's Begin – 1 session \$70pp

We start off with a 2 hour clinic introducing you all to the grip, stance, posture and learning some putting, chipping and full shots

All about the short game – 4 sessions \$125pp for all 4 session or \$35 each

Our next sessions will focus on the tricky short shots - Chipping and Putting - Pitching- Bunkers

We will also do a quick what to know before you go out on course

Before going out a couple of times on course (don't worry I'll be there with you!) and play short hole 50m and under in length to put those skills to practice

Iron it out -3 sessions \$95pp for all 3 session or \$35 each

Now that we are starting to get a feel for the smaller shot, we work out way up! Main focus - Short, Mid & Long Irons

A quick refresh of what to know before you go out on course

Before going out a couple of times on course (again I'll be there) and making the holes longer to suit the lengths we have been working on

Cover ready -3 sessions \$95pp for all 3 sessions or \$35 each

The fun part! Now that we have gone through all the other clubs in the bag, its time to learn the difference between the irons and woods

Before going out a couple more times on couple and playing at longer length holes 200m and under

Out of the woods -1 session \$50pp - Unfortunately, not every shot goes exactly the way we want! So this is your guide to the trouble shots: Trees, fairway bunkers, slopes, etc

Game Set Swing – 6x 9 hole games \$5 per round - \*Must have completed all stages or stages 2-5 to qualify

Now is the time where (if you would like to), we go out on course and play 9 holes either to get a handicap or to have a relaxing game. You will get six 9 hole opportunities to play the course with one of our lovely lady mentors.

These can be played on a Monday or Friday afternoon

All sessions prices will include: Tuition, Hire Club (if needed), pull buggies, range balls, etc

The term “course record” is not defined in the Rules of Golf. However, it is generally accepted that a record score should be recognised as the official “course record” only if made in an individual stroke play competition (excluding par or Stableford competitions) with the holes and tee-markers in their proper medal or championship positions. It is recommended that a record score should not be recognised as the official “course record” if a Local Rule permitting preferred lies is in operation – unless it is common for preferred lies to be in operation at that course.
