

Are you okay? I came as soon as I got your text. You said your heat started early? **[sniff]** It certainly smells like it. How are you feeling? Are you holding up okay, omega?...You've certainly made yourself comfortable. Is that my sweatshirt you're using as a pillow?...I'm glad you have it, omega. Take whatever you need. I know alpha's scent brings you comfort on days like today. It's the closest you could get to being next to me before I got home, huh?...Well now you don't have to settle for some old clothes. You've got the real thing right in front of you. Speaking of which, do you want me to join you in the nest?...**[shuffle]** Thank you, little O. Making room for your alpha in your nest, you're so good for me. **[kiss]** Such a polite little thing despite starting your heat. I wonder if you're going to be this well behaved for me tomorrow. **[chuckle]** It's okay, omega. You're always very good for me. Such a lovely pet for your alpha. **[kiss]** Do you feel a bit better now that alpha is holding you, little O?

...It's okay, omega. I'm right here. Alpha's got you. I'm going to take care of you. Don't you worry. That's what mates are for, right?...**[kiss]** My sweet little omega, all squirmy in alpha's arms. Were you touching yourself while waiting for Alpha to find you?...Mmmm, thank you for being honest with me, pet. It's really hard for an omega to resist the urge during heat, isn't it?...That need to be filled is so strong. Your empty hole is leaking slick all over the covers and your brain keeps reminding you of the one thing that will make it feel better. You could try to think about something else, try to take your mind off of it, but somehow you always find yourself back to thinking about a knot. And not just any knot. Thinking about MY knot in particular. It feels so good inside you, you never want it to leave, do you?

...**[sniff]** Another wave of slick gushes out of you as my hands start to reach a little lower. Is this okay, little O?...**[kiss]** So good for me, pet. Let alpha take care of things. You're in heat. You're not in the right space to do this. Let me handle everything. You just lay back and look pretty for me, okay? All you have to do is be a good omega and take whatever alpha gives you. That's not too difficult. You can do that for me, can't you?...Of course you do, pet. You want to make alpha proud of you. Want alpha to take away all these feelings and make you feel normal again. Take the edge off your incoming heat knowing tomorrow is going to be worse, tomorrow you're going to be a desperate and begging mess. Your second day has always been the worst for you, little O. It's okay, though. It's all okay. You don't have to handle your heats alone. You don't have to pretend to be strong. You can be my delicate little pet, my pretty omega, just a little O who lets their alpha take care of everything for them. All you can focus on right now is how good my cock feels hardening against your soft thigh, huh?

...That's it, pet. You're doing so good for me. Just stay right here, nice and safe in my arms. It feels good, doesn't it?...**[chuckle]** It hasn't even been ten minutes and you are already losing your self composure. If you are trying to entice me to fuck you, it's working. Keep going little omega. You feel good against me, working your hips. That's it. **[chuckle]** Don't think I don't notice what you're doing. Making sure you are paying attention to the base of my cock, right where the knot forms. You're not as sneaky as you think you are, pet. At least, not when you are in heat. Your motives are clear, little O. You know the knot is going to feel so good inside you, pumping you full of my cum. The cum you so desperately need to take the edge off of your heat. I want to help you, pet. Spread your legs, let alpha inside.

**[wet noise start]** Mmmm, that's it. That's a good omega. Spreading your legs so eagerly, letting alpha inside your tight hole. You feel so good around me. Wet heat encasing my cock, that's it. That's right, little O. You feel so good. Ngh, do you feel better now that you have something inside?...My cock takes the edge off. Feels so good to be filled like this. Your hole stretching around my length, ngh, that's it. Take it nice and deep for me, little O. It feels so good to be full. This is what you've been needing all day. Since you woke up, all you needed was alpha's cock stuffed in your hole. That's right. You feel better now, don't you?...Of course you do. Just look at you. Smile on your face as you move your hips backwards, trying to take more inside. Such a desperate little thing. It must feel so good to finally get what you want, right?...That's right. Fuck. Love how you sound, omega. Goes straight to my cock, making it twitch inside you. You sound so fucking good. Why don't you moan for me again, pet? Let me hear how good I'm making you feel, little O.

...Oh yes. That's fucking right. Keep it up, omega. You sound so fucking amazing. Clenching you already tight hole around me, making it even tighter as I thrust inside you. I reach down and start touching you in time with the thrusts. It's going to be easier if I help you the first day. You can show me what a good pet you are tomorrow, when your heat is here completely. You're only just started. Alpha wants to make sure you feel good and you're taking care of. That means using my hand and stroking you in time with my thrusts. It feels good, doesn't it?...Rocking into my touch, that's it. That's right, omega. Doing so good, letting alpha take care of you, letting alpha make you feel good. You just lay back and take it. Keep looking so good for me. Moaning as my cock fucks into you, bringing you closer with every passing second. You squirm underneath me, trying to get more friction, trying to take more. It's so cute how desperate you are, little O. Can you imagine what you're going to be like tomorrow, omega?

...You're going to be such a whiny omega for alpha tomorrow. Begging for my knot, begging to be bred, begging for my cum. Your second days are always my favorite, just an endless day of filling you with load after load, just how you need. Always act so slutty during your heat, omega. Ngh, I know. I know, pet. It's okay. Alpha loves it. I think it's cute when you get like this. There's a difference between being some random whore and being MY slutty omega. I love MY slutty omega but I won't love the whore. You're not the whore, pet. You're always MY omega. Ngh, don't want you to forget that. I'll fuck and fill you as many times as it takes for you to understand the difference. You only lose your composure like this around me. Alpha's the only one who feels this fucking good, isn't she?...Baring your neck and proudly showing off your bite marks to me, oh that's it. What a sight you make. So fucking beautiful, pet. Look your best when your being fucked, when your taking alpha's cock. You can't get enough, can you?

...That's good, omega. Making alpha feel so good. You're making me so proud. Yes you are. Keep it up. Earn my knot and make me even prouder. That's what you really want, isn't it? To feel my knot growing inside you, plugging up your hole. That way no cum can get out. You adore how alpha's cum makes you feel, don't you?...Soothes all your worries, makes the ache of heat go away. It's the only thing that you need, omega. Only alpha can give it to you. Alpha's cum feel so fucking good breeding you, doesn't it?...Love how your hole clenches around me, trying to make the knot pop sooner every time I say it. It's like your instincts react automatically to the word knot. Your body knows what to do, clamping down and trying to nurse it, trying to suck all the cum out of me. Alpha's perfect little cum dump, it doesn't matter which hole I cum inside, as long as it is inside you, right?

...That's right. Spoken like a true knotslut omega. Ngh, that's right. Working my cock so well, you take what I give you and you're grateful for it, aren't you?...You know better than to ask for more. Alpha might take away the pleasure you feel if you beg for more. Instead you happily move, moving your hips back and forth, fucking yourself harder against my hand, impaling yourself further on my cock. It feels too fucking good, doesn't it, pet?...That's right. Such a good knotslut for alpha. My pretty little cumdump. You look so fucking good, taking every inch of my cock. The only way you could look better is if my knot was stretching you open, pumping you full of my cum. That's your favorite feeling in the world. You're an omega in heat, you are a fairly simple creature. All you need is alpha's cock, alpha's knot, alpha's cum, and you'll feel better, won't you?...Oh, that's right. Just look at you. No sense of dignity, not an ounce of self composure in sight. My pretty omega reduced to a pathetic little knotslut for alpha. It's perfect.

Mnf, that's right. You can feel alpha getting closer the more I thrust inside you, causing you to cry out. It just feel so good, clenching around my length, feeling the knot start to grow inside you. Expanding slowly as I continue to fuck inside you, that's it. Take it, pet. Take it like the good omega you are. You want to make alpha happy, don't you?...Of course you do. That's how you make the heat go away. You get a knot inside your hole, you get cum filling you up. That's all any omega needs, pet. Yes it is. Oh that's right. That's it. Feel so fucking good. Alpha's getting closer. With every slide of my cock inside you, my knot grows just a bit more, stretching you out even more. It feels so good, doesn't it?...You can't get enough. Your words are reduced to pitiful noises as you get closer. Squirming underneath me, that's it. That's right, omega. Fuck. Alpha feels so good. You're doing amazing. Keep it up. You want to make alpha cum, don't you?...That's your job as my omega. You're here to be a good cumdump for alpha. So fuck good for me. So close. Ngh, I can't. I can't hold back anymore, pet. Alpha's ngh, alpha's so close. Gonna, fuck, gonna cum inside you, breed you how you crave. It's okay, omega. Alpha's here. Alpha's got you. Ngh, alpha's gonna, I'm gonna, fuck, so close, I think, ngh, I think, I think I'm gonna c-**[adlib mutual orgasms]** Oh that's it. That's my sweet little O. So good for alpha. Taking my knot so well, yes. That's it. Go ahead and take all of my cum. You're already starting to feel better just from feeling my knot locked inside you, aren't you?

..Oh that's right. My sweet pet. **[kiss]** Come snuggle into alpha's arms. **[shuffle // petting starts]** There, there. That's it. That's my good little O. You did so good for alpha. Took everything I gave you so well. Yes you did. Alpha's so proud of you, pet. You did such an amazing job. You feel better with my knot inside you, don't you?...My cum acts as an aid, letting you feel more like yourself. It's okay. I've got you. I'm here, omega. You're not going to be alone. You don't have to handle this by yourself. I've got you. Alpha's right here. Alpha's going to take care of you to make sure you're safe and okay. You just worry about what you're feeling. Whatever you need, ask me for it. You don't have to take care of yourself. You don't have to pretend to be strong or like you don't want or need my attention. I'm your partner. I love getting take care of you. You're never a burden to me. I always want to be around you. Whether it's a good day, a bad day, a neutral day, or even a day like this. I always want to be with you. I love you, omega. Forever and always. That's why I mated you. There was no one else that made me feel like you do. There's no one I could imagine a future with other than you, pet. You're my world. I love you so much. I want to take care of you. I want to be there for you. I want to support you however I can. Whether you're in heat or not, I'll always be here for you. I'm your alpha and you're my omega. Taking care of you is the privilege of a lifetime.

**[kiss]** I adore you, my omega. I could listen to you talk for hours. I could lay like this, just holding and enjoying your company for hours and never get bored. I can just enjoy our time like this. Holding you, taking in how you feel, how you smell, how amazing you are. You're absolutely perfect, my pet...Pet? **[shuffle // chuckle]** You must have fallen asleep. That's okay, little O. You're going to need your rest. You have a big few days coming up.
