

## ELECTIVE COURSE OPTIONS FOR 6<sup>TH</sup> GRADE STUDENTS

### River Oaks Middle School

Elective courses are not required subject areas like reading and math, but are optional courses that may be of interest to your child. Each middle school offers unique elective courses that your child can choose to take. The elective courses listed below are options for 6<sup>th</sup> grade students. It is important to note that the availability of elective courses is dependent upon each school's master schedule, and choosing an elective does not guarantee its availability in your child's individual schedule.

#### Options at River Oaks Middle

Visual Arts

Computer Skills Applications

River Oaks is an alternative school that focuses on Academic Recovery. Many electives that students will have will focus on helping students to make growth in their core classes.

Base Middle Schools must complete a referral packet and present students at an intake meeting for admission to our school. The intake team will determine if the student is an appropriate referral for our specific program!
